

Production Designer – 6-month Contract

BMP

BMorrow Productions is a boutique creative and production firm located in downtown Orlando, Florida. We are a new style of studio, prioritizing a very collaborative approach between clients and the firm. Considered an entrepreneurial, fast pace and creatively driven studio, BMP offers considerable room for personal and professional growth for studio talent. With clients around the globe in various market sectors, including theme parks, zoos, live entertainment, resorts, and educational experiences, the BMP team always has a wide variety of projects to dive into providing growth and ownership into project development.

YOUR ROLE

As a Production Designer, you will help support and administer the creative and production process from concept through completion for assigned studio projects. Candidates must have an eye for detail and strong organizational skills, ready to ensure that all projects are completed on time, within budget, and meet high quality standards.

You will be interfacing with other creative contributors in the studio and often be client-facing during meetings and workshops. You will provide additive creative ideas to the project team while assuming the key role of support to project team members. You will be part of the creative development process including front-end charrettes and group and individual design thinking activities.
